## **About Wisconsin Chapter AAML**

The **American Academy of Matrimonial Lawyers** was founded in 1962 to provide leadership that promotes the highest degree of professionalism and excellence in the practice of family law. There are currently more than 1650 Fellows in 50 states.

The Academy affords members the opportunity to engage in high quality discussions of important issues in family law with the most experienced lawyers around. Through academic programs and social interaction, the AAML provides settings to work with and learn from other recognized family law attorneys to improve one's expertise while contributing to the betterment of family law in general.

A significant portion of the tuition from this CLE program will support the Wisconsin Chapter's charitable activities. The Chapter funds a scholarship at each of Wisconsin's law schools, and makes contributions to non-profit legal and social services agencies throughout the state.
